We dedicate this 1971 Wankeen to you,

OUR YEAR

With the beginning of school we gathered on the new football field for the opening assembly.

The Welcome Dance was held on September 11th. It was just one of the many social activities held this past year. Our thanks to all those who helped make it possible.

The first rally of the year was only the beginning of Hilmar High's spirited student activities.

Heuer sweeps around the end against Hugison in the first game of the season.

Wells drives through the Riverbank line. This was the team's second victory.

The team talks with Governor Reagan after a dinner in Merced.

The homecoming tally and car-crash  
and homecoming parade lead up to the  
big game with C.L.M.

Mike Vierra heads for the goal line.

VICTORY!

Youth and determination were what the fans watched on the court this season as the Yellowjackets provided the excitement and victories. R. L. Garcia President  
Miss Smith, Adviser

To the members of the 1971 graduating class I offer my congratulations. You are here today not only because of the influence and guidance of parents and teachers but also because you wanted to finish high school and all along the way you made your own free decision to do the work necessary to reach this major goal of your life.

Before you is a tremendous opportunity. You will be challenged many times to make the right or wrong decision. Those of you that carefully plan your future will find fulfillment, happiness and success. The wrong choice can mean frustration, bitterness and defeat. Where will you stand ten years from now?

Sincerely,

## Student Body Officers

Richard Silva  
Student Body President

It has been my sincere pleasure and honor to be your Student Body President for the past year.

Being a transfer student in my Sophomore year, my first impression was one of friendliness and unity among the students and even a greater unity between school and community, which is apparent in the fields of athletics, agriculture, band, etc. All these factors have made my year as your Student Body President a pleasant and enjoyable one.

Upon graduation many of us will never see one another again. Many will go to college, to the Armed Forces, or working at our life's occupation. So let me leave you this last gesture, "May God watch over you and guide you through-out your life."

Sincerely yours

*Richard Silva*

# In Memory of

## Dennis Freitas

As the long train  
Of ages glides away, the sons of men,  
The youth in life's green spring, and  
he who goes  
In the full strength of years, matron  
and maid,  
The speechless babe, and the gray-  
headed man--  
Shall one by one be gathered to thy  
side,  
By those who in their turn shall  
follow them.
